CIRCULAR TO THE ATTENTION OF SHIPOWNERS, SHIP'S AGENTS AND INSURERS

Subject: Reduction of fine payment for any stowaways disembarked

It is brought to the attention of shipowners, ship's agent and ship insurers that the 2 million (2 000 000) XOF fine (EUR 3000) per stowaway requested for disembarkation has been reduced to one million (1 000 000) XOF (EUR 1500) from the 15th of June 2016.

It should be indicated that some exchanges have been held with some operators in respect of the above subject and concluded **on an exceptional basis to revise the circular n° 0107/DG/DOMS/DS/SS/TFC of 25th of April 2016** establishing the said fine.

However, it remains important that **the spirit of the said circular should in any way be altered** in its execution.

Furthermore, it remains understood that the production of a search certificate before the entry of any ship coming from Tema (Ghana) is still in force.
