New Instructions with regards to notice of arrival to be send in a waiting area 18 nautical miles west of Haifa and Ashdod breakwater.

I would like to state that the procedures for entering the port and assigning a berth to the ship will be according to the time of the ship's arrival at the waiting area as defined below:

1. Upon the ship's arrival at the waiting area, the ship will notify the port authorities of its arrival and exact location.
2. The waiting area - a radius of 18 nautical miles west of the Haifa & Ashdod breakwater
3. A notification to the port authorities about its arrival at the waiting area is the same as the notification of the ship upon its arrival at the port In accordance with section 2 of the rules of the operational queue regarding the procedures for entering the port and assigning a berth to the ship.

After the ship's notification to the port authorities upon its arrival in the notification area, the ship can wait in this place, until instructions for entering work in the port.
