

## Update 2 – Mitigation Efforts Due to Lapse in Fiscal Year 2019 Appropriations and Partial Government Shutdown

To mitigate the impact caused by the partial lapse in appropriations and shutdown of National Maritime Center (NMC) operations, the following updated actions are being taken:

- Merchant Mariner Credentials (MMC) (National Endorsements only) and Medical Certificates that expire in December 2018, January 2019, or February 2019 are extended as valid until April 30, 2019. Print the attached letter and carry it with your credential.
- Additional Information (AI) letters, sent to mariners that expire in December 2018, January 2019, or February 2019 are extended to April 30, 2019.
- Approval to Test (ATT) letters and mariner training course certificates that expire in the months of December 2018, January 2019, or February 2019 are extended until April 30, 2019.
- For mariners whose 90-day testing cycles were interrupted by Regional Exam Center (REC) closures (starting on December 26, 2018), the days the RECs were closed will not count against the 90-day period. REC appointment calendars will be re-opened immediately once appropriations are restored.

The NMC understands the partial shutdown may affect our industry customers and stakeholders and we apologize for any potential inconvenience.

Dear U.S. Mariner,

Due to the federal government's partial lapse in appropriations for fiscal year 2019, the Coast Guard is unable to process mariner credentials in a timely manner. To provide relief to impacted mariners and under the authority of 46 United States Code § 7507 and § 7508, the Coast Guard is granting extensions effective immediately to national endorsements and Medical Certificates until April 30, 2019, for mariners whose credentials expire in December 2018, January 2019, or February 2019.

All mariners sailing under the authority of their national endorsement(s) should print and retain a copy of this letter with their Merchant Mariner Credential (MMC) and Medical Certificate to produce it upon request by the U.S. Coast Guard, other agencies or officials. The National Maritime Center (NMC) does not intend to issue any separate or new MMCs to correspond to this extension for mariners sailing domestically. This extension does not apply to Standards of Training, Certification and Watchkeeping for Seafarers (STCW) endorsements.

Applications submitted before or during the partial government shutdown will be processed as soon as possible once the NMC is reopened and is legally authorized to begin operations.
