

## Questionnaire

### The Swedish Club Cyber Marine Insurance

Basic

Plus

Questions		Yes	No
BASIC	1. Are all vessels aligned to BIMCO cyber risk management guidelines or equivalent maritime cyber security recommendations?		
	2. Do all vessels have network segmentation policies in place for connection to shore and onboard between business and crew?		
	3. Has cyber security awareness training been implemented for all vessel crew?		
	4. Have you had a cyber incident on board a vessel in the last three years?		
PLUS	5. Is any access remotely to the vessel secured with multi-factor authentication?		
	6. Do you have a Cyber Security Incident Response Plan which extends to incidents on Vessels?		
	7. Are there any integrity checks and security scans completed on the Chart downloads prior to uploading to the Vessels?		
	8. Do you have a backup solution for your IT assets onboard the vessel?		
	9. Are USB ports blocked on all vessel systems?		

Respective cover is subject to this questionnaire being completed, signed and returned to The Swedish Club. For Plus, answers will be reviewed, and cover shall be subject to prior approval by The Swedish Club.

**Declaration:** I declare that the answers within this application form are, to the extent of knowledge, true and no facts have been purposefully miss-stated or suppressed.
